

Nebraska Select

2009 Girls - Fall 2023

Nebraska Select 2009 Team - For our players born in 2009. We will field 1 team based on our total number of players registered. These players will operate in an Academy system with all players training together. Our teams will participate in League and tournament play at the U15 level.

This team will play NPL (National Premier League) + Local and Regional Tournaments. Our ability to play in the [Central States NPL](#) is due to our partnership with [VNA \(Villarreal Nebraska Academy\)](#). In our NPL games only, we will represent VNA and wear their uniforms. For all other events we will represent the Kearney Soccer Club and the Nebraska Select Girls Soccer Program.
