

# Nebraska Select

## Fall 2023

**Nebraska Select U19/U17 Teams** - For our players born in 2005-2008. We will field 1-2 high school aged teams based on our total number of players registered. These players will operate in an Academy system with all players training together. Our teams will participate at the U18 or U19 levels, and possibly at the U17 level.

Our players will have 3 options from which to choose:

- Option 1** **Nebraska Select 05 or Nebraska Select 07** This team will play NPL (National Premier League) + Regional and Showcase Tournaments. For players who wish to play against the highest level of competition plus those interested in college showcase events. Our ability to play in the [Central States NPL](#) is due to our partnership with [VNA \(Villarreal Nebraska Academy\)](#). In our NPL games only, we will represent VNA and wear their uniforms. Whether we play at the U19 level or U17 level is dependent on our player interest level and availability. We hope to play at the U19 level. Not all players wishing to play on this team will be automatically selected. The makeup of the team will depend on who is available, positions needed, etc... See Option 3.
- Option 2** **Nebraska Select HS Girls** This team will play NYSL (Nebraska State League) + 2 In-state Tournaments. This team is for players who wish to play against good competition but not expend a great deal of time and expense on league travel and out of state tournaments. League games will be scheduled for Sundays to avoid HS activities, most games will be played in Lincoln or even Kearney. Tournament selections will be based on the availability of the players. If needed, this team will be supplemented with players from Option 3.
- Option 3** Is for the player who might like to play for the 05/07 team but cannot commit to most of the dates, or a player who is only selected to play for some of the NPL games and/or regional tournaments. These players will also have the ability to play with the Neb Select HS Girls when not playing with the 05/07 team. Availability is key for this player.

### Option 1

<u>Date</u>	<u>Event</u>	<u>Opponent</u>	<u>Location</u>

### Practices:

Options 1 & 3 – Local Players should plan to attend all practices. Players from out of town will need to attend at least 1 practice a week (priority to the latest practice during that week). Out of town Players who participate in HS sports may not make any practice during a normal week. Sunday practice may be considered on the weekends where there is no competition.

Option 2 – Players are recommended to attend practice as often as possible, but practice is not required.

Any Player who cannot attend a U17/19 practice may attend a U15 practice at any time.
